

2nd Sunday in Lent March 5th, 2023

In the first reading, Abram is called by God to leave his home and kin and go to an unknown land. In an act of great trust, he obeys. He does not know what lies ahead, but he walks in faith. We must also walk in faith, especially during our Lenten journey. His faith is a result of his encounter with God.

In the transfiguration, Peter, James and John also encounter God. They experience the divine presence in the transformed Jesus Christ. The change in his face, which "shown like the sun" and his clothes which became "white as light" are a reference back to Moses appearance after receiving the Ten Commandments.

The transfiguration also foreshadows the resurrection of Jesus. In his appearance to Mary of Magdala at the tomb, he also had bright white clothes. And clearly something was significantly different about his appearance, for Mary did not recognize him.
